

## Fiber optic cable protection box, FOPC-SC

### Product information:

Fiber optic cable protection box FOPC-SC is developed as a termination point for drop cable connecting, splice and protection during FTTH deployments.

### Applications:

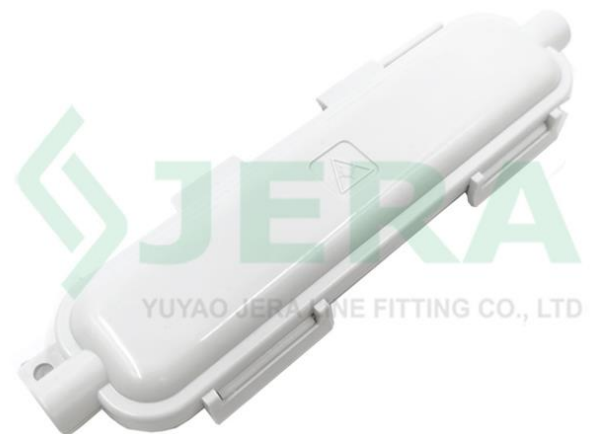

1. Indoor FTTH fiber optic cable deployment

### Features:

1. Compact size
2. Water-proof design, IP-65 protection
3. Manage fibers in a reasonable fiber radius condition
4. UV resistant ABS plastic guarantee long time usage
5. Buckled lock structure, easy operation
6. Appreciate for wall mounted installation
7. Fair price

**Key parts:** High quality ABS plastic

### Technical specification:

Product code	Application	Adapter	Application	Material	Dimension s, mm
FOPC-SC	Flat 3.0×2.0mm or Round 3.0mm drop Cable or patch cord	SC	Outdoor & Indoor	ABS	16*45*17
